We are in the Season of Lent and Holy Mother Church invites us to meet Jesus in a very special manner. Holiness is just living with Jesus in a remarkable and effective way. All the circumstances that are offered to us, are chances to be with and for Jesus.

May our encounter with Jesus be one that generates joy. John the Baptist encountered Jesus for the first time in the womb of his mother when our Blessed Mother met her in their home and the scripture says that John leaped for Joy. May our encounter with Jesus each day lead us to fill ourselves with joy all through this Lent.

The second, three persons – the three kings who came to the crib at Bethlehem, to pay homage to the Infant Jesus. King Herod had requested them to return to him after finding the newborn king, but on encountering Jesus they were told to return by another way. May each time we encounter

Jesus all through the Lent and beyond be chances to walk another path which the Holy Spirit will inspire us to follow a new way from former ways. Thus, we will walk through a safe and meritorious path to holiness to which we are called in a special manner.

The third person I present to you is Nicodemus. The scripture says, he came to Jesus by night because he was afraid of the society in which he lived. The encounter that Nicodemus had with Jesus during that night, generated strong faith and courage in himself to see the God Man in Jesus. After the death of Jesus Nicodemus goes to the authority to ask for the body of Jesus, no more fear but love and affection for Jesus generated the needed courage to do the needful.

May this Lent fill us with joy, change of heart and courage to be with Jesus and for Jesus.
